Local questions, no local ads

India, Australia, NZ, UAE

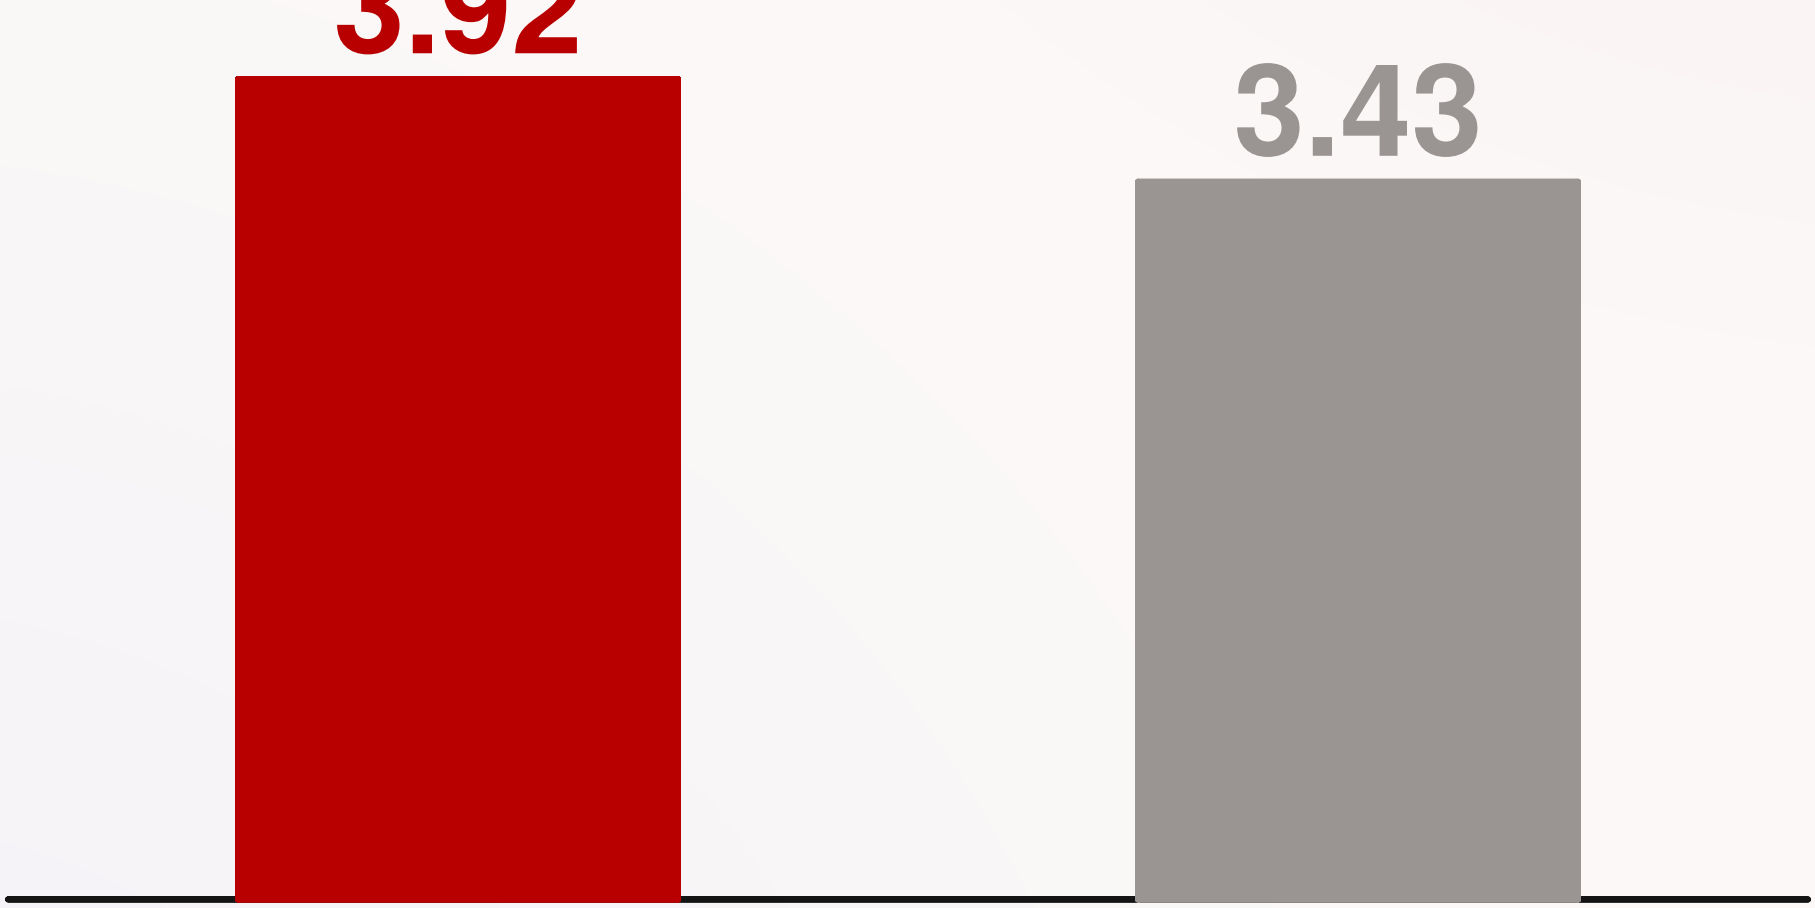

- 50 of 58 (86.2%): no advertiser from that market
- 8 had a local one

FINDING 4 OF 6

How-to questions get ads too

Ads per question:

FINDING 5 OF 6

Your tracking won't see it

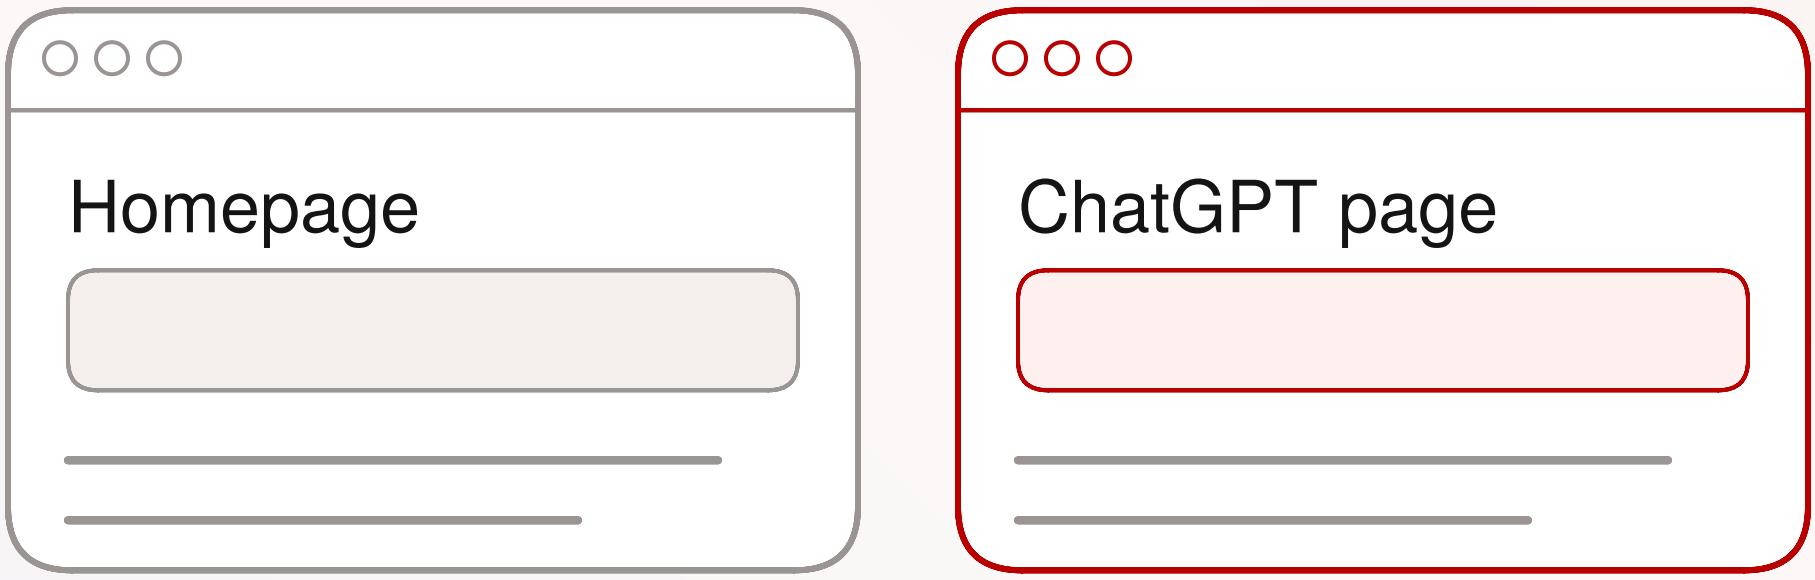

Check it before you scale.

yourbrand.com/?…

- oppref=… — ✓ on every link (OpenAI's)
- ~~gclid~~ — ✗ on none
- utm_term — ? only 5.3% share a word with the question

FINDING 6 OF 6

Few built a page for ChatGPT

26.4%

of advertisers only linked here

71

advertisers built one

What it means for you

1

You run ads

it's early, fix tracking first

2

You don't

rivals can show up on your name

3

You track AI visibility

treat paid and organic separately
